## LUMPY SPACE PRINCESS (LSP)

Lumpy Space Princess is a sativa dominant strain combining Black Banana with Pink Lemonade. The primary terpene in LSP is Limonene, which has a fruity smell and notes of lemon-citrus and plums. In terms of flavor, this strain features a sour fruity-citrus flavor that's completed with some pepper spice. LSP scored the highest marks among users in the relief of physical stress and tension, which may benefit users with concerns like PTSD and anxiety. In addition, LSP will leave you talkative and relaxed.
