## CHEW BLUE RASPBERRY FLAVOR

Simple and versatile, this new medible from Ilera Holistic Healthcare has no terpenes or additives. Chew gives patients more control over THC dosage without any additional active compounds.

An ideal supplement to have on-hand for days with more pain than usual, this new medible can also help those whose tolerance has increased and may need to layer another form periodically to achieve the same therapeutic effects.

What Makes up Tropical Flavor Chew?

**THC | Natural Blue Raspberry Flavor | Cannabinoid Concentrate**

On-Set Effect **60-90 Minutes** | Duration **6-8 Hours**
