

CRESENDO RBX

Crescendo crosses Chemdog, I-95, and Mandarin Cookies to create this THC-dominant hybrid. Its terpene profile produces sweet, earthy, and citrus aromas

MIMOSA RBX

Mimosa RBX is a hybrid strain made by crossing Clementine with Purple Punch. In small doses, this strain produces happy, level-headed effects and large doses, Mimosa may make you feel sleepy and relaxed. This strain has a strong aroma and flavor with fruit and citrus flavors.
