STRAIN CLASSIFICATION

Indica Hybrid

TERPENES

Caryophyllene, Limonene & Linalool

LINEAGE

Bubba Kush & Tropicanna Cookies

KNOWN TO ALLEVIATE

- Loss of Appetite
- Anxiety
- ADD / ADHD

MILITARY CHOCOLATE

Military Chocolate is an Indica hybrid strain derived from a cross of two well-established strains: Bubba Kush & Tropicanna Cookies. Caryophyllene is the most prevalent terpene in the strain, responsible for the richly funky aroma of Military Chocolate, a vanilla and chocolate smell with a spiced, kushy undertone. The flavor profile of Military Chocolate is just funky with a vague taste that's mostly dank, with some sweetness and a peppery kick.
