

BERKEL

[Pre-98 Bubba Kush x Granddaddy Purple]

**GOOD PEOPLE.
GOOD CANNABIS.
GOOD DAY.**

Berkel, by the Good Day Farm Brand, is an indica-dominant hybrid that is said to consume the body with calming effects that help ease away pain and ready the body for sleep. Great for a lazy evening, but not for being productive! These benefits combined with the sweet and spicy flavor profile won Berkel third place at the 2016 Colorado Cannabis Cup.
