LILAC DIESEL

Lilac Diesel is an evenly balanced hybrid strain. Created through crossing Forbidden Fruit with NY Cherry Pie and Citral Glue strains. Named for its gorgeous appearance and deliciously pungent flavor, Lilac Diesel is one bud that's perfect for any hybrid lover. Aromas of sharp chemical diesel and sweet fruity berry, all with a spicy overtone. The flavor is on the light side of things, with a sweet fruity berry taste that's accented by sour citrus and pine.
